

O'Maley Innovation Middle School Gloucester, Ma

February 2016

Ed Tivnan

High School Biology Teacher

Do Now

What grade do you teach?

Agenda

Show pictures of Aquaponics units at four Massachusetts Schools:

1. O'Maley Innovation Middle School, Gloucester Massachusetts
2. Pope John XXIII High School, Everett Massachusetts
3. Lynn Classical High School, Lynn Massachusetts
4. Lynn English High School, Lynn Massachusetts

Objectives

Get teachers thinking of at least two new Aquaponics in the Classroom options.

Get teachers to begin seeing at least 6 new connections between their curriculums and Aquaponics.
